

Music Listening Activity

When we listen to music, it's important to listen to as many details as we can. Learning how to listen to music is super fun if we know what to listen for.

Use the questions below to see how many parts of the music you can identify. Have fun and happy listening!

1. What instruments do you hear in the music? Circle each one you can hear.

PIANO

VIOLIN

TRUMPET

DRUM KIT

GUITAR

TUBA

CONGAS

ACCORDION

BASS

TROMBONE

SAXOPHONE

TAMBOURINE

CLARINET

Other Instruments _____

2. Is the music loud or soft?

3. Is the music fast or slow? Or somewhere in between?

4. What do you like about this music? What style of music is it?

5. What is the name of the song or piece of music? Who composed it?
